

# The Common Core Combo

To support your efforts in implementing the **Common Core**, we are offering a **Common Core Special Edition** of *Instruction for All Students*. In the **Common Core Combo**, it is paired with *Creating a Culture for Learning*, our text that guides the collaborative work teachers need to do to implement the **Common Core**. The **Common Core Special Edition** of *Instruction for All Students* includes a CD-ROM with copyright-free resources such as issues of *Making the Common Core Come Alive!*, teacher tools and templates, student tools and templates, and exemplar units. Priced at over 25% off the retail cost of the two books, this combo is available only through Just ASK!
