# Instruction for All Students PLC Pack

The **Instruction for All Students PLC Pack** provides your Professional Learning Community (PLC) with amazing experiential learning opportunities. There are 24 one-hour interactive and action-oriented learning experiences fully explained in the facilitator's handbook. Designed to support the study of **Instruction for All Students** by Paula Rutherford, this PLC pack will help you focus on student learning and working collaboratively in no time! (Tip: This PLC pack is also perfect for planning instruction-focused faculty meetings.)

The **Instruction for All Students PLC Pack** includes:

- A copy of **Instruction for All Students** for each staff member. The basic PLC Pack includes 25 copies of **Instruction for All Students**. (The number of copies can be adjusted to meet your needs.)
- A copy of the 300 page **Instruction for All Students Facilitator's Handbook** that includes teaching notes for 24 one-hour professional development learning experiences based on the book **Instruction for All Students**. An added bonus is handout masters in hard copy and on a CD-ROM.
- A copy of **Strategies in Action: A Collection of Classroom Applications Volume I**
- Over 40 full-color **Visual Tools** on a CD-ROM with JPEG and PDF files that can be used in PowerPoint and Keynote presentations and to make overhead transparencies and posters plus 50 ready-to-use PowerPoint slides.
- Six sets of **Scavenger Hunt and Sort Cards** to use in studying the active learning strategies featured in **Instruction for All Students**
- A CD-ROM containing over 80 copyright-free issues of our **Just for the ASKing!** e-newsletter ready for you to reproduce and use in your PLCs.

Purchasing the **Instruction for All Students PLC Pack** guarantees a savings of 20% off the retail price of additional copies of **Instruction for All Students!**
