Data Analysis Questions

What do these data tell us? What seems to "pop out"?	**What do they not tell us?**
What patterns or trends appear?	**How might we explain this data?**
In what other ways can this data be viewed?	**What's missing?** **Who will collect it- when?** **Who will evaluate it- when?**
What strengths are here to celebrate?	**How does this data compare with what we would hope to see in these areas?**
