

# Learning Preferences Survey

## Directions

Knowing your learning preferences is helpful to me. Please read each statement and identify the answers that describe how you think you learn best. You can select more than one answer, but please star (\*) the best choice for your learning.

### 1. When reading in Language Arts or history, do you prefer to...

- Read independently
- Read as a whole group
- Read with a partner
- Be read to by the teacher

### 2. What helps you to best process (understand and remember) new information?

- Reading summary notes about the topic
- Writing about the topic
- Discussing what you learned with others
- Drawing your understanding

### 3. When you have a unit project do you prefer to...

- Work independently
- Work with a partner
- Work with a small group

### 4. What types of projects or activities do you prefer if you are asked to create a product that showcases your understanding about a topic?

- Models, dioramas, salt maps, etc.
- Writing a report or a creative writing piece that demonstrates your understanding
- Writing and acting in a play or puppet show
- Creating a game
