

# Reading Reflections

1. What questions did you think about before you started to read this story/book?

---

---

---

2. What questions did you think about while you were reading this story/book?

---

---

---

3. What questions do you have about this story/book now that you are finished reading it?

---

---

---

4. Does it help you to understand the story/book when you ask questions like you just asked now? How does it help you or why does it not help you?

---

---
